What a horrendous experience I had last Saturday.

All my family went on a picnic near a big lake on that day. When my dad and mom were busy making lunch, my sister and I were playing by the lake. Suddenly, a strange guy showed up from somewhere, and his face was half covered by a mask. He walked to us and asked us for some drinking water.

When I gave the water to him, his bag dropped on the ground, and the things inside it fell out of it. I saw a knife, a rope, and a cap. There were also a woman's shoe and a ring. They were not his for sure. The man soon put all his things back in the bag and became very mad at us. The picture of a fugitive came to my mind. He turned out to be the crazy killer. At that moment, my sister and I could not speak or move at all.

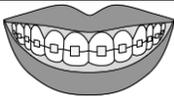

Luckily, my dad called us and walked to us. The bad guy ran away in a minute.
